

Ladies and Gentlemen:

The 2027 Annual Convention for the Nebraska Well Drillers Association / Nebraska On-Site Waste-Water Association promises to be bigger and better than ever, as we will be featured in the Crown Plaza and Younes Convention Center North. This event, since relocating to the Younes Conference Center in Kearney, has drawn rave reviews along with a sold-out trade show floor and record crowds.

This year's convention is February 9th – 11th, 2027, at the Younes Conference Center North in Kearney, NE. Tuesday, February 9, 2027, is the set-up date at the Conference Center. The set-up time will be from 12:00 p.m. to 5:00 p.m. that day. Deliveries and other details are on the attached "information" sheet.

New for 2027, the NWDA and NOWWA Manufacturers and Suppliers will be sponsoring a welcome reception at the Drop Zone Golf Event Center from 6:00 pm to 8:00 pm on Tuesday evening with appetizers, drinks, and golf bays provided. We are looking for \$500 sponsors to help with the costs associated with this event. It will be a great start to the convention and opportunity to socialize with contractors, manufacturers, and suppliers.

The exhibit hall hours will be from 10:00 a.m. to 6:00 p.m. on Wednesday and from 10:00 a.m. to 12:00 p.m. on Thursday, to give you maximum time for customer contacts. Standard Booth space will be \$750.00 per booth, which includes one 8x10 space with drapes and a table with two chairs. Core Sponsor Booth space will be \$3,750, which includes one 16x25 space with drapes, 6 tables, and 8 chairs. You can also rent 5' round tables and chairs at \$60 each or a cocktail table and chairs at \$60 each. An Affiliate membership fee, which is included in the cost of your booth, is required of all exhibitors. This fee goes to the Contractors' division of the Well Drillers Association to help defray expenses for future contractor workshops, coordination, and legislative lobbying activities to protect industry interests, printing expenses, postage, telephone costs and numerous other costs of operating an involved Association.

The Conference Center facilities allow the Associations to conduct all CEU/PDH Training on site, and education programs will be developed before and after show floor schedules to avoid conflicts and to encourage full attention to you and other exhibitors. The Convention Center is also connected to the Crown Plaza, allowing you to stay inside the entire time you are at the convention.

There will also be outside space to accommodate vehicles and equipment display. Fees for equipment are noted on the reservation form. If you are interested in outdoor space, please note it on your registration form.

The Executive Committee of the Association has agreed that NO HOSPITALITY ROOMS will be opened, nor will any other EXHIBITORS' FUNCTION be conducted during the convention, which might detract from the convention functions being carried on during this year's convention

Would you like additional recognition at the Trade Show and Convention? This year, we continue to give you the opportunity to have your company recognized as a sponsor for part of the 2027 Water Industries Convention and Trade Show. By sponsoring an event, you will have your name listed in our program as a sponsor for that event, and you will receive recognition at that event as a "Thank you" for your support. See "registration form" for pricing options.

Special negotiated hotel rates are available in Kearney, NE, with the following: Crown Plaza at \$159.95 per night, Hampton Inn at \$154.95, and Fairfield Inn at \$154.95.

Sincerely,

Greg Tech
Event Chairperson

**EXHIBIT INFORMATION
2027 ANNUAL CONVENTION
NEBRASKA WELL DRILLERS ASSOCIATION
NEBRASKA ON-SITE WASTEWATER ASSOCIATION**

The Younes Conference Center North is located in Kearney, NE, at 707 Talmadge Street. The event center is large, well-lit, carpeted, and heated. Electrical hookups, consisting of 120 volts (240 volts are not available). Walk-in doors and a large overhead door are located on the North side of the building for unloading and loading. No forklift will be available for moving equipment.

Individual booths are 8' x 10' and Core Sponsor Booths are 16' x 25'. All booths are equipped with drapes supported by pipe frames. The background is 8' high; side dividers are 42" high. A table and two chairs are provided, but extra booth equipment is available through the decorating company. Contact Construction Rental at 308-234-4883 with your requests.

Exhibits should be shipped prepaid in advance to ensure delivery. The address is as follows for shipping freight and/or express:
